

## About this form

As the employer, you should fill in and sign this form if you are contributing to this employee's pension plan.

As an employer, it is your legal responsibility to provide Elevate with a record of payments due before you pay a contribution. This record should list the contributions you expect to pay to the Elevate Pension Scheme (No 1) until the employee's expected pension age, or earlier date where notified. We will use this to check the contributions we receive from you against the amounts shown on the record.

Contributions must be paid to us by the due date, which is the day you are due to make employer contributions.

Please complete this form using **black ink** in **CAPITAL LETTERS**. Section A should be completed by the adviser; Sections B, either C and/or D and E should be completed by the employer.
